

Pandero and Pagode

M.Zenon
Esta Plena

I'm here singing to you
To let you know about the *Pandero*
The drum that gives me Joy
That gives my life a Reason to be

I play it with Love
And take it everywhere I go
A *Plenazo*, a *Parranda* or a *Rumbón*
And I'm not exaggerating when I tell you
That it is my Passion

The one that gives Joy to many
Makes them want to sing
Makes them want to enjoy life
That's what my *Pandero* does

The Party just started, we're gonna have a good time
My Plena has to be there
Everyone is waiting, the *Coro* starts to sing
And I'll keep playing my *Pandero* until my worries go away
And I assure you that wherever this drum is, something good is happening

My *Pandero* is here
To help you have a great time
My *Pandero* is here
To help you have a great time
My *Pandero* is here
