

**What will become of Puerto Rico?**

What will become of Puerto Rico?  
What will happen to my little Island?  
Today I think about its future  
And I just don't know what to expect  
(Rep)

Traditions are being forgotten  
Our culture is being ignored  
*Borinquen's* customs  
Are getting no Respect  
People prefer going to the Dance Club  
Shopping and throwing their money away  
But when it comes to our Roots  
No one wants to talk about it

(Coro)

Corrupt Politicians  
And Criminality  
Are destroying my land  
Which will not hold on much longer  
But People stay put,  
They don't even realize  
That we have to help our country  
And not hold it back

(Coro)

The Price of Gas  
Is higher every day  
And Puerto Ricans keep buying cars  
As if nothing was going on  
But if the Economy  
Crashes one of these days  
We'll have to ride a bike  
Or go everywhere by foot

(Coro)

I'm hopeful that one day  
Things are going to improve  
We just need to be more conscious  
And good things will come  
Let's all chip in  
To reach our collective Goal  
Because *Borinquen*, our country  
Deserves so much better...
